Michigan Castle to be lit for the holiday season!

CANADIAN LAKES, MI – This holiday season, from 5:30pm to 9:30pm each Friday and Saturday evening beginning November 23, 2018 through January 5, 2019, Century 21 White House Realty presents Nights of Lights at the Castle in Canadian Lakes which will feature over 120,000 LED lights and an interactive music and light show constructed by Christmas Décor by Devries of Jenison, Michigan that will repeat throughout the night.

Chip Issette, Owner/Managing Broker of Century 21 White Realty that not only gained his real estate office recognition, but also most importantly a promotion that would give back and do good. Jessica Slendak, Marketing Director of Canadian Lakes always works to expose Canadian Lakes, a private residential community to people near and far. When the two conversed, Jessica explained her vision of Canadian Lakes being a holiday destination for all by lighting their iconic landmark, the castle in Canadian Lakes. It was then that Century 21 White House Realty's Nights of Lights was born. Everyone will be able to experience the castle and non-Canadian Lakes members are required to obtain a vehicle pass at nightsofflights.org.

Canadian Lakes was founded in 1963 when Donald Bollman had a vision. Located an hour north of Grand Rapids and a few hours northwest of the Detroit area, the private residential community brings an active social environment to the beautiful woodlands of northern Michigan. With three stunning golf courses, all-sports lakes with five beaches, serene waterways, delectable dining and much more, the 11 square miles of rolling hills, Canadian Lakes is considered “the GOOD life” by its members. Membership is gained through property ownership. Learn more about the many opportunities Canadian Lakes brings at canadianlakes.org.
